

CPA Chuckar Challenge – Pointer Rules

- Always get twice the amount of shells as of the Number of planted birds
- **Find**
Is when a dog initiates scent & on his own, Locks up on point. The point must be for 3 seconds & the shooter cannot whoa a dog to a point (By voice or e-collar). 1 warning will be given – 2nd time point(s) will be taken away. Shooter can whoa dog all he wants once 3 second point is awarded.
- **Trap**
Is when dog breaks point & catches the bird before it has a chance to take flight.
If judge sees that bird is too weak to fly after 2 gentle foot flushing attempts are made he can award – 3 second point full retrieve – bird in vest & mark 1 shell.
- **Full Retrieve** – Is awarded when dog delivers bird to hand within 1 pivot foot of shooter.
- **Partial Retrieve** – If dog cannot find bird, the shooter can make decision if he wants to help dog, once he moves from position it instantly becomes partial retrieve.
- **Bird in Vest** – Must be species tournament is using. If shooter shoots at non-species, all shots are counted, time is lost & no credit for shot birds.
- **Safety** – Is awarded on Judge, Dog, Spectators – Vehicles, when unsafe shooting conditions would occur, shooters or judges can call. (Judge may overrule).
- **Walking Only Event**

Gun Safety is important & your dog is on the ground, so please point your gun up towards the sky when walking.

End of Run – Clock stops when shooter has last bird in hand, time expires or runs out of shells, whichever occurs 1st.

Disqualification – When run is over, immediately leash dog, If he wanders off & flushes bird – run is disqualified.
